MICHAEL BRITT,	)	
	)	
Respondent.	)	

**ORDER ACCEPTING FINDINGS AND RECOMMENDATION**  
**OF THE UNITED STATES MAGISTRATE JUDGE AND**  
**DENYING CERTIFICATE OF APPEALABILITY**

After reviewing all relevant matters of record in this case, including the Findings, Conclusions, and Recommendation of the United States Magistrate Judge and any objections thereto, in accordance with 28 U.S.C. § 636(b)(1), the court is of the opinion that the Findings and Conclusions of the Magistrate Judge are correct, and they are accepted as the Findings and Conclusions of the Court. For the reasons stated in the Findings, Conclusions, and Recommendation of the United States Magistrate Judge, the Petition for A Writ of Habeas Corpus by a Person in State Custody, received on May 27, 2022 (docket entry 3), is **DENIED** with prejudice as barred by the statute of limitations.

In accordance with FED. R. APP. P. 22(b) and 28 U.S.C. § 2253(c) and after considering the record in this case and the recommendation of the Magistrate Judge, the petitioner is **DENIED** a Certificate of Appealability. The court adopts and incorporates by reference the Magistrate Judge's Findings, Conclusions, and Recommendation in support of its finding that the petitioner has failed to show (1) that reasonable jurists would find this court's "assessment of the constitutional claims debatable or wrong[,]" or (2) that reasonable jurists would find "it debatable whether the petition states a valid claim of the denial of a constitutional right" and "debatable whether [this court] was correct in its procedural ruling." *Slack v. McDaniel*, 529 U.S. 473, 484 (2000).\*

---

\* Rule 11 of the Rules Governing Section 2254 Cases in the United States District Courts, as amended effective on December 1, 2019, reads as follows:

(a) **Certificate of Appealability.** The district court must issue or deny a certificate of appealability when it enters a final order adverse to the applicant. Before entering the final order, the court may direct the parties to submit arguments on whether a certificate should issue. If the court issues a certificate, the court must state the specific issue or issues that satisfy the showing required by 28 U.S.C. § 2253(c)(2). If the court denies a certificate, the parties may not appeal the denial but may seek a certificate from the court of appeals under Federal Rule of Appellate Procedure 22. A motion to reconsider a denial does not extend the time to appeal.

(b) **Time to Appeal.** Federal Rule of Appellate Procedure 4(a) governs the time to appeal an order entered under these rules. A timely notice of appeal must be filed even if the district court issues a certificate of appealability.

In the event that the petitioner files a notice of appeal, he must pay the \$505.00 appellate filing fee or submit a motion to proceed *in forma pauperis* that is accompanied by a properly signed certificate of inmate trust account.

**SO ORDERED.**

July 7, 2022.
